What is a Webinar?

Webinars are held in an online, live, interactive presentation where attendees log-on through their computers and view a presentation, all

Webinars for Child Care Programs-Register Today!

CAPPA Children's Foundation brings you an **ALL NEW** series of cutting edge trainings, all for one low price per center or program location! There is no limit to the number of people from your center who can attend the webinar series and be connected without ever leaving your location. This is a fabulous opportunity to train your **ENTIRE** staff on the most requested child care topics for 2010 at an affordable price in an incredibly convenient format.

while listening through a headset or telephone. Through a webinar, attendees are able to ask questions of the presenter, give feedback, participate in polling and more! One of the most appealing and key elements of a webinar is the ability to completely eliminate the travel aspect of attending high quality and effective trainings.

About This Series

The Child Care Center Webinar Series is a fantastic way to train your entire center or program location, all for one low price per center!

That means that each center location pays \$900 for the entire series of 12 webinars (buy 9, get 3 FREE), or \$99/webinar, but there is NO limit to how many staff can watch the webinar!

Set up the webinar in a classroom, meeting room or staff room and invite your entire staff to watch and receive training!

Each computer that will be accessing the webinar will need to register separately in order to receive their unique log-in information. Each center will only be

On the third Thursday of every month of 2010, child care providers, center directors, teachers, and staff can log in from their own computers and view a different 60 minute webinar presentation. Each organization that purchases the series will get a DVD copy of each webinar. Build your training library!

RESERVE YOUR SPOT NOW!

Speaker Spotlight- Sue Trautman, MA, OTR/L, SWC

We are honored to have Sue Trautman as our February speaker in this series!

Register for her webinar, "Becoming A Sensory Detective: An Overview of the Sensory System/ Sensory Integration"!

Sue Trautman MA, OTR/L, SWC received a Bachelor of Science degree in Occupational Therapy and a Master of Arts degree in Special Education from Western Michigan University. Sue is an instructor for the University of Southern California/Western Psychological Services (USC/WPS) courses in sensory integration and the Sensory Integration and Praxis Tests (SIPT) that are offered world wide. She is the course coordinator for Specialized Techniques for Measuring Sensory Integration. She is certified in Swallowing Assessment, Evaluation and Intervention. Sue has developed many sensory rich environments for schools and clinics and is on the Professional Advisory Board for Shane's Inspiration, who create boundless playgrounds.

Sue co-founded Center for Developing Kids in 1995 with Ann Hyde, MA, OTR/L and currently co-owns the company with Laura Hogan-Reyes, MA, OTR/L. Sue looks forward to going to work each day and feels honored to be a part of the staff, families and children whom make Center for Developing Kids such a wonderful place! She continues to work clinically as well as administratively with expertise primarily in the

area of sensory integration. Previously, Sue worked with adults and children in settings that include rehabilitation, home health, neonatal intensive care, outpatient pediatrics and schools.
